

Adams Property Conservation Project Pledge Agreement

The Rural Land Foundation (RLF) and residents of Lincoln are working together to preserve 3.7 acres of the Adams property off of Granville Road. The RLF is seeking financial gifts that will be used to help acquire property, conservation restrictions, trail easements and similar property rights that comprise the Adams Property Conservation Project. As part of the project the RLF will negotiate, enter into and perform contracts, make expenditures, and incur financial obligations.

Recognizing this and in consideration thereof, I/we hereby irrevocably pledge the sum of _____ **Dollars (\$_____)**
for the Adams Property Conservation Project. Such gift will be given over _____ year(s).

Such gift will be made at the time provided below. I/we recognize that the RLF will rely on this pledge in conducting its activities described above and in seeking pledges from other contributors, who will in turn also rely on this pledge. This pledge shall be binding upon my estate and I hereby direct my legal representatives to carry out my obligations under this agreement.

Payment of this pledge shall be made by delivery of a check or transfer of marketable securities to the RLF within 60 days notice that it intends to exercise its option with respect to the property interests that comprise the Adams Property Conservation Project. Should the RLF not exercise its option to purchase the Adams property this pledge will become null and void.

I/we understand that my/our gift to Adams Property Conservation Project will be deductible for federal income tax purposes to the maximum extent provided by applicable law.

Signed and delivered as a sealed instrument on _____ (date), 2019.
