

Lincoln Station Demonstration Garden

145 Lincoln Rd, Lincoln MA

Park by the Twisted Tree Café/Bank of America. When facing the building, look to your right. The garden is along the fence line and is split into two sections, separated by a walking path.

This site was first planted in Spring of 2020 with a variety of shrubs. LLCT added more shrubs and perennials in 2021 and 2022. In 2023, although mostly filled in, LLCT added a handful of new perennials to fill gaps in the garden.

It was first watered by hand via a rain barrel located by the Bank of America entrance. LLCT has since installed an irrigation system, but only waters plants that are still getting established.
