

The Nature Link Conservation Project Pledge Agreement

The Rural Land Foundation (RLF) and residents of Lincoln are working together to preserve approximately 65 acres of the 75 acres of Farrington Nature Linc property off Page Road and Cambridge Turnpike (The Nature Link Conservation Project). The RLF is seeking financial gifts that will be used to help acquire property, conservation restrictions, trail easements and similar property rights that comprise The Nature Link Conservation Project. As part of the project the RLF will negotiate, enter into and perform contracts, make expenditures, and incur financial obligations.

Recognizing this and in consideration thereof, I/we hereby irrevocably pledge the sum of:

_____ Dollars (\$_____)

for The Nature Link Conservation Project. If such gift will be given over a period of more than one year, please indicate number of years ____ (max 3)

Such gift will be made at the time provided below. I/we recognize that the RLF will rely on this pledge in conducting its activities described above and in seeking pledges from other contributors, who will in turn also rely on this pledge. This pledge shall be binding upon my estate, and I hereby direct my legal representatives to carry out my obligations under this agreement.

Payment of this pledge shall be made by delivery of a check or transfer of marketable securities to the RLF within 90 days' notice that it intends to exercise its option to purchase with respect to the property interests that comprise The Nature Link Project. Should the RLF not exercise its option to purchase the Farrington Nature Linc property interests as part of the project, this pledge will become null and void.

I/we understand that my/our gift to The Nature Link Conservation Project will be deductible for federal income tax purposes to the maximum extent provided by applicable law.
